This tour features true Americana, everything that makes America unique. Don't miss the bus or the boat and let's experience this nostalgic look at our past and our future together!

Day 1: We'll travel north this morning to begin a tour that takes us back in time. We will enjoy lunch on our own and then the first stop on our nostalgic journey... Greenfield Village. Entering Greenfield Village is like stepping into an 80-acre time machine. It takes you back to the sights, sounds and sensations of America's past. There are 83 authentic, historic structures, from Noah Webster's home, where he wrote the first American dictionary, to Thomas Edison's Menlo Park laboratory, to the courthouse where Abraham Lincoln practiced law. Greenfield Village is a celebration of people – people whose unbridled optimism came to define modern day America. Dinner is included this evening at one of Dearborn's delightful restaurants. We will check into our hotel for a two-night stay. **D**

Day 2: After our included breakfast we depart for the Henry Ford Museum. This uniquely American museum highlights our nation's growth between 1800 and 1950 when the inventions of a new age transformed pastoral America into a dynamic industrial society. It began as a simple yet bold idea to document

the genius of ordinary people by recognizing and preserving the objects that they used during their everyday lives. It grew into the ultimate place to explore what Americans past, and present have imagined and invented – a remarkable destination that brings American ideas and innovations to life. This afternoon we will include a visit to the Rouge Factory for a journey into the factory where automobile manufacturing, as we know, came of age, and where the technology of tomorrow is on display today. Later this afternoon we will tour the famous Edsel and Eleanor Ford Estate. Dinner will be included together this evening. **B,D**

Day 3: Breakfast is included before we check out of our hotel and depart for our return trip home. First we will meet our knowledgeable step-on-guide and learn about the revitalization of the city of Detroit and all it has to offer. After touring we will board the lovely Detroit Princess Riverboat for a cruise experience that includes a delicious lunch and narrated cruise of the Detroit harbor. We will depart for home and plan to arrive back early evening with wonderful memories and experiences to share with family and friends. **B,L**

Featuring... Ohio Star Theatre's *RUTH*, one of Sight and Sound's most beloved productions

Join us for a fun-filled getaway to the Amish country of Ohio... Sugarcreek, Walnut Creek and more. The quaint Alpine village of Sugarcreek is known as the gateway to Amish Country for good reason. Amish families were some of the first to arrive in Sugarcreek, along with Swiss and German families. The Swiss immigrants brought with them their cheese-making heritage and before long Sugarcreek became known as a Swiss cheese-making hub and downtown took on an Alpine-style appearance. We will see the World's Largest Cuckoo Clock and the Swiss Village Murals and visit the Yoder Family Amish Home to experience Amish History and Culture first-hand. The Ohio Star Theatre is always entertaining, and the new production, *RUTH*, will not disappoint! *RUTH* is the remarkable story of second chances and one of Sight and Sound's most beloved productions. Journey alongside an ordinary woman whose faith in God ignites a chain of events that change the course of history. If you are looking for a summer getaway packed full of great sightseeing, delicious food, fun entertainment, and lovely accommodations... look no further.

Day 1: We'll depart for our drive to Ohio Amish Country. Our first stop will be David Warther's Carvings & Gift Shop. David Warther II, a fifth-generation carver of Swiss heritage, is continuing his family's carving legacy. The carvings created by David depict the "History of the Ship" from 1st Dynasty Egypt to the present day. Enjoy the over 75 major pieces in his collection and visit the gift shop before we depart for the hotel. Late afternoon we will check into the Carlisle Inn located in a serene, countryside setting with a view! Tonight, we will include a delicious dinner and then see "Ruth" at the Ohio Star Theatre. **D**

Day 2: After our included breakfast we will depart for downtown Sugarcreek, where the streets of this Swiss Village are dotted with Swiss style architecture and beautiful Swill murals. Swiss music floats through the air as you appreciate the six murals painted by local artist Tom Miller. Featured on the cover of the Guinness Book of World Records in 1977, the World's Largest Cuckoo Clock, located in the center of town. The clock is over 23 feet tall and 24 feet wide. Every half-hour, a cuckoo bird pops out and then you hear Swiss polka music playing as the band emerges and a couple dances. Next, we will visit the Yoder Amish Home. This guided tour will give you a history and you will better understand the culture of the Amish people. This afternoon, we stop at Walnut Creek Amish Flea Market for lunch on your own, and countless options for shopping, food, and fun! Then, it's time to set our sights for home, anxious to tell our family about this perfect summer getaway! **B**

Featuring... Norman Rockwell Museum, Holiday Entertainment, Stockbridge Celebration Event, Yankee Candle Flagship Store, Bright Nights Holiday Lights Display, The Mount... Edith Wharton's Mansion, Seneca Falls' It's a Wonderful Life Museum and more

Norman Rockwell's Illustration is reenacted with antique cars parked along the streets of Stockbridge. The street comes alive by recreating the famous painting. Put this tour on your Holiday Wish List!

Day 1: We will depart bright and early this morning and travel to Syracuse, NY where we will overnight this evening.

Day 2: We'll depart after breakfast for our drive to Stockbridge and visit the Norman Rockwell Museum where we will see many of the illustrator's works in the original oil paintings at your leisure. There are gallery talks and a gift shop to explore. After our visit we will check into our hotel for our two-night stay. Dinner and local entertainment will be enjoyed this evening. **B,D**

Day 3: This morning after breakfast we will meet our local guide for a day of touring. On a driving tour of the Berkshire Cottages, you will hear stories about the characters and explore the era of the "Gilded Age". The Berkshires are known as the Inland Newport and display mansions built during the turn of the century before the days of income tax. These estates, also called cottages, were the homes of Andrew Carnegie, Harley Proctor of Proctor and Gamble

Co., George Westinghouse, the Vanderbilt's, and many others who formed the American Aristocracy. See the exteriors of these fine homes. The Stockbridge tour promises to whet your appetite for further exploration of this "picture postcard" town. This is a light and informative tour with history, humor, and facts. We will visit the MOUNT, the home of Edith Wharton, the first woman to receive the Pulitzer Prize – for her work "The Age of Innocence". A National Historic Landmark, The Mount will be decorated for the holidays. This afternoon we travel to the Yankee Candle Flagship Store where it's always Christmastime at their Bavarian Christmas Village. The adventure continues in the Black Forest on to the Village Square past the waterfall beside the moat over the drawbridge to the Nutcracker Castle. After that you must visit Santa's Toy Factory! Next, we see the Bright Nights Holiday Light Display set in Springfield's historic 750-acre Forest Park, a perfect backdrop for the more than 500,000 twinkling lights. The two-and-a-half-mile drive turns us all into children again. Dinner is included this evening at a local restaurant. **B,D**

CHRISTMAS IN NEW YORK CITY!

December 9-13, 2024

featuring The Rockettes Christmas Spectacular Show, Top of the Rock, Radio City Music Hall Tour and Hershey's Chocolate World and Sweet Lights Display

Tour Number R1586 • 5 Days – 4 Nights – 6 Meals – 1 Show

"It's beginning to look a lot like Christmas" is never more evident than in a visit to the Big Apple in December! New York City becomes a winter wonderland during the holidays: snow blankets the streets of Manhattan; crowds' "ooh" and "aah" at the exquisite Christmas window displays adorning the stores along Fifth Avenue, ice skaters glide across the Rockefeller Center Skating Rink as the Rockefeller Christmas tree glows beneath the New York skyline. Don't miss the bus and a chance to see Santa in NYC either!

Day 1: Let's plan to depart bright and early this morning for the "Big Apple." Rest and lunch breaks will be made en route. We'll arrive this evening in time to check in at our New Jersey hotel for the next three nights. The hotel is located just 10 miles from mid-town Manhattan.

Day 2: After our breakfast this morning we will depart for Mid-Town Manhattan. Our first stop will be at The Top of the Rock where we ascend 70 floors to the Observation Deck for an elevated NYC experience! Featuring a 360-degree Manhattan skyline view of landmarks like the Empire State Building, it's a great way to see the city's holiday dressings as we begin our day in the Big Apple! We will next visit the historic refurbished Radio City Music Hall for a guided tour of this wonderful structure. This will give you a better understanding of the Theatre before enjoying tomorrow's Rockettes Spectacular. Enjoy the afternoon along 5th & 6th Avenue. Give your eyes an early Christmas treat by checking out the holiday decorations on the Avenue of the Americas. From festive, oversized tree ornaments to jumbo, colored lights, you'll be aesthetically pleased every which way you turn! Dinner will be included in Times Square. You may want to take in a Broadway Show, on your own. Transportation will be provided back to the hotel twice tonight. **B,D**

Day 3: Breakfast is included at the hotel before we meet our local guide for a guided tour of the city. Highlights today will include Wall Street, Chinatown, Greenwich Village, and more. This afternoon, enjoy the Christmas Spectacular with the world famous Rockettes. You can enjoy dinner at a restaurant of your

choice before returning to our hotel for the evening...but not before seeing the most famous Christmas Tree in the United States. The Norway spruce at Rockefeller Center usually has a height between 70 to 100 feet, features 5 miles of stringed light, and a 10-foot star topper. For over seven decades, the Christmas Tree at Rockefeller Center and the holiday decorations adorning and surrounding have stood as a holiday beacon for New Yorkers and visitors alike. More than half a million people pass by the Tree every day, making Rockefeller Center the epicenter of New York City's holiday celebrations and is a sight to behold each year. **B**

Day 4: Breakfast is included at the hotel before we depart for Pennsylvania and make a stop at Hershey. We will visit Chocolate World, enjoy an included dinner and drive through Hershey's Sweet Lights Drive with over 600 illuminated, animated displays. What a sweet way to get into the holiday spirit! We will stay near Hershey tonight. **B,D**

Day 5: Breakfast will be included this morning before we depart for our return trip home. Plan to arrive back early this evening with great stories to tell your friends and family about your exciting tour to the Big Apple at Christmastime! **B**

Pre-Trip Information

Payment: A \$100 deposit is required to book on all Croswell Tours (unless otherwise noted). One Day Tours must be paid in full at booking. A credit card will be accepted with no fee for the deposit. Final payment can be made by check or cash up to 60 days prior to departure. If final payment is not made **60** days prior to departure, we will notify you and payment must be made at that time by credit card with a 3% fee in order not to risk cancellation from the tour.

Seat Assignments: Passengers may choose their seat number (seats 3-48) for an administrative fee of \$10 per person. Seat requests must be made and purchased at the time of booking. All other passengers will be seated front to back based upon the date of booking. You should notify a customer service representative if your traveling partner has a different pickup.

Last Minute Changes: Croswell Tours does the best job possible in preparing the tour departure route and minimizing the amount of time spent on the motorcoach. Last minute changes cause confusion and often delay the tour departure. Once you have received your timed itinerary, an administrative fee of \$25.00 will be assessed to make a pickup location change if possible. We thank you for your cooperation and understanding.

Meal Requests: It will be the passenger's responsibility to present the escort with a paper upon boarding the motorcoach of what their dietary restrictions are. The escort will let the restaurant know when they arrive (or earlier, when necessary)

Portable Devices: We must know in advance if you have a disability that prevents your independence while traveling with us. We regret that we cannot provide individual assistance to a tour participant for walking, dining, getting on & off motorcoach, or any other personal needs. A qualified and physically able companion must accompany travelers who need such assistance and must assume total responsibility for the disabled participants well-being. Insurance prohibits Croswell employees and others from loading or unloading personal mobility devices such as scooters, etc. into or out of motorcoaches and other vehicles. Travelers choosing to do so on their own, do so at their own risk.

Trip Cancellations: When Croswell Tours find it necessary to cancel a tour, all passengers will be offered a 10% discount on a future tour when the monies are transferred to that tour. Any refund requested will be sent within three weeks.

Tour Documents: All tour documentation will be mailed to you approximately 10 days prior to your tour departure date. However, due to unpredictable circumstances (i.e. weather, cancellations, or traffic), times or events might need to be changed or modified. Your Driver and Escort will work together to make this experience as pleasant as possible.

Passports: On June 1, 2009, the U.S. government will require all U.S. citizens entering the United States at sea or land ports-of-entry to have a Passport or Passport Card. Contact www.usa.gov or 800-688-9889 for more information. Croswell Tours is not responsible for decisions made by customs officials.

Payments: We accept VISA or Master Card for deposits only. Cash, Check, or Money Order is acceptable for deposits and final payments.
